All the DDSEs & HoS  
Arunachal PradeshSub:- **Strict implementation of Saturday Activity Day in all Schools in Districts reg:-**

Dear DDSE/HoS,

As you are aware Saturday Activity Day has been launched from this session where various activities shall be undertaken in the schools on Saturdays. The calendar has been attached as part of the Teacher and Student diary and is also attached here. As part of this, 10 personality development workshops have been included in the schedule which are to be conducted by class teachers for all students. These workshops have been designed by UNICEF and are to be rolled out for the holistic long-term development of our students. Class teachers are expected to first take the training on the UNICEF website themselves and then conduct the workshop for all students in their class as per the schedule attached. The workshops are on the following topics:

1. Self Awareness
2. Resilience
3. Creativity
4. Critical Thinking
5. Problem-Solving
6. Decision Making
7. Communication
8. Empathy
9. Negotiation
10. Participation

The dates for these workshops are different for different grades and they are to be conducted as per the calendar. In case any workshops are missed, the same may be conducted at a later date, which may be decided by the school.

As already mentioned, to conduct these workshops, the teachers have to first take the online training for the same and then conduct them for the students. On the UNICEF website, the workshops are divided as per age of the students. For grades/classes 1<sup>st</sup> to 5<sup>th</sup>, workshops for ages 8-12 have to be used, for grades/classes 6<sup>th</sup> to 8<sup>th</sup>, workshops for ages 13- 15 have to be used and for grades/classes 9<sup>th</sup> to 12<sup>th</sup>, workshops for ages 16- 18 have to be used. So all teachers conducting the workshops for Primary Students have to take the training in workshops for ages 8-12 and for Upper Primary students in workshops for ages 13-15. All Secondary and Higher Secondary class teachers have to take the training in workshops for ages 16-18.

The manual and step-by-step guide for registration and undertaking the training is attached and may be circulated to all teachers. It is compulsory for all class teachers to take this training and conduct the same for the students. In case there is shortage of teachers, a few teachers may be designated by the school to conduct the workshop for all students.

Report of the workshop has to be sent to District Education Department, who shall forward it for the perusal of Commissioner (Education). Any lacunae in this regard shall be taken seriously.

This is issued with the approval of the competent authority.

Yours sincerely,
